

Untapped Logo 2010 Release Notes

There are two versions of the full logo available for general use. An abbreviated version of the top half of the logo is available for limited use by special request.

These logos are released in separate zipped folders as indicated below.

File name abbreviations.

DS means "Drop Shadow" – *these images have a full drop shadow that extends beyond the outer circle of the logo.*

IDS means "Inner Drop Shadow" – *these images have only inner drop shadows that do not extend beyond the outer circle of the logo.*

Folders and contents.

UT DS Print Logos.zip or **UT IDS Print Logos.zip** logos for print use:
ai (illustrator CS3 vector); psd (photoshop, transparent); tif (transparent); jpg (flat)

UT DS Web Logos.zip or **UT IDS Web Logos.zip** logos for web use:
gif (transparent); png (higher quality transparent)

Untapped logo colors.

Blue: Pantone 2955 C ; hex #005288

Green: Pantone DS 288-2C ; hex #59A056
